Lunchtimes – Craig Hardy came to follow up from the last meeting and report back on the visit from 9 parents.	<p>Parents said they had enjoyed a school lunch and had seen how things run in the playground. They completed a feedback sheet. The messages were very positive – especially about the lunchtime team - and people asked to visit again in the future. Parents also reported positively on the food.</p> <p>Parents met the new lunchtime staff - we now have a full team of 15. People asked about the recruitment process and it was explained that jobs are advertised on the newsletter and also on eteach; there is a link to eteach from the school website.</p> <p>Parents reported that they watched children using different spaces for lunchtime play. Craig reiterated that there is a balance between supervision and having sufficient freedom for creative play .</p> <p>Queues for the salad bar were deemed to be long. This is also something that the school council have reported on. We will revisit this in future meetings and monitor queueing time.</p>
