More 4 Kids Newsletter - June 2019

Welcome to our More 4 Kids newsletter! We hope this will give you some interesting news about the club as well as some updates and information for this year. Feedback is always welcome; speak to staff or email

ruth.cochran@bristol-schools.uk if that is easier.

Online Booking

Thank you for continuing to book online; this makes things clearer and easier for everyone.

We'll continue to work hard to try and make the club the very best we can.

- We have been talking to Keir Construction, who are working in our area. They have a plan to renovate the M4K room for free over the summer!
- Stay and Play is back! Fun with APE project on 8 and 15 July
- NEW trial sessions bring your friends to try out More 4 Kids!

Bikes are BIG at M4K - lots of children learn to ride in our playground!

'Bring a Friend' offer

Summer news

Numbers are a bit low at More 4 Kids and we are very keen to get some more children to come along and join in the fun! If you have a friend who has never been but would like to try a session for free, please ask them to bring the voucher below into the school office. They will book you a trial session at the club (space permitting).

Stanfords Bookshop

Hannah More is delighted to be working with Stanfords Bookshop in Corn Street. They are organising all sorts of things for us! There is an author visit, a summer holiday project and next term there will be a special 'Reading Together' course for parents with children in Reception and Year 1. If your child is in Key Stage 2 and would like to boost their summer reading with some book-tokens to help, please contact school for more information!

If you have not been to More 4 Kids club before, we'd like you to come and visit!

Bring this voucher to the office to book 1 free session!
