

# Ways we can help - update

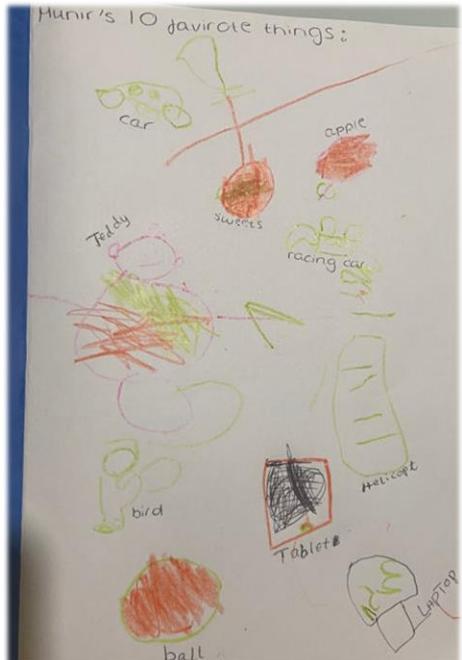

## Learning

All the teachers have been providing learning every day on their class blogs on the school website ([hannahmore.org.uk/class pages/year group/year group blog](http://hannahmore.org.uk/class pages/year group/year group blog)). If you don't have a tablet or laptop at home the learning can be accessed on a smartphone and then recorded or written about in the learning books that we have sent home. It has been brilliant to see so much learning taking place at home. Next week there will be a new feature on the website called bedtime stories (at the bottom of the class pages tab). Each day at 7pm you'll be able to see a new story being read by one of the teachers. Miss Judge starts us off on Monday.

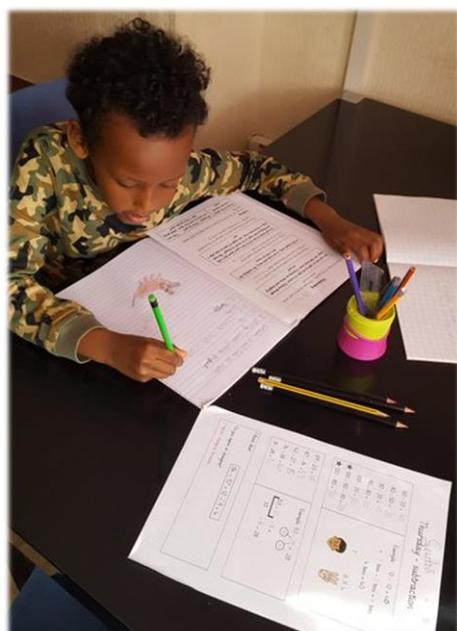

## Food

Families eligible for means tested free school meals will now be given a food voucher from Chartwells, the company who provide our school meals. This will be emailed to you on Tuesday 31<sup>st</sup> March and will be for 3 weeks. If you are in urgent need of food, you can come to school on Monday 30<sup>th</sup> March between 2.00 and 5.00. Please follow the usual social distancing rules. You can also pick up a couple of books or ideas of things to do.

## Keeping in touch

Teachers have been phoning home to check how everything is going. It has been lovely to keep this communication going. If you need to contact school at any time please call Ms Ramsay on 07376185854 or Mr Webster on 07415098449 between 9 and 5. They can also pass messages to teachers. Or you can email school: [hannahmorep@bristol-schools.uk](mailto:hannahmorep@bristol-schools.uk) The school twitter has been full of lovely messages from teachers and great responses from children. Make sure you keep up to date with the latest news!

## Things to do

As well as checking your class blog and twitter, have a look out the latest news from Up Our Street. They are doing an amazing job of putting together information about everything from waste collection to phone support to activity packs. You can read their latest update [here](#) and why not get some ideas for online activities and things to do at home [here](#).

Look after yourselves and we hope to see everyone soon!
