

Thursday 11th February 2021

Have a go at planning your own letter and write a **draft** letter.

When we plan a letter and **practise** writing it we call it a '**draft**'.

Draft letters are really **important**. They help us to write the 'wrong' thing when we write the real letter.

Who is it for?

Write the word '**Dear**'.

Greeting

You could write '**Hello**' and '**I hope you are well.**'

Share one special thing you have done during lock down:

Ask a question:

Ask another question:

Write **From** and your name:
