LO: To add equal groups (10s) to find the total.

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} + \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

Work out the total of these number sentences.

$$10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$10 + 10 + 10 + 10 + 10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$10 + 10 + 10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$10 + 10 + 10 + 10 + 10 + 10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$10 + 10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$10 + 10 + 10 + 10 + 10 + 10 + 10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$10 + 10 + 10 + 10 + 10 + 10 = \underline{\hspace{2cm}}$$

$$20 + 20 + 20 + 20 = \underline{\hspace{2cm}}$$

$$30 + 30 = \underline{\hspace{2cm}}$$
